Dear Sir/ Madam,
Greetings.

We are pleased to inform you that Department of Computer Science & Engineering, National Institute of Technology Karnataka, Surathkal is currently celebrating its Silver Jubilee, with a yearlong series of academic activities. One of the major activities that has been scheduled is the organization of International Conference on Advanced Computing, Networking and Security (Adcons-2011) during 16th - 18th December 2011 as the grand finale of this 25th year celebrations. We also have been honoured to organize the ADCOM-2006 conference at Surathkal with almost 500 participants from various countries and published the conference proceedings with IEEE Explorer.

Adcons-2011 conference is expected to be a confluence of researchers, practitioners, developers, and users and will provide an ideal setting for industry institute interactions. Adcons-2011 will feature several tutorials, workshops, keynote talks/invited talks, plenary sessions delivered by speakers of international repute from both academia and industry. It also provides a forum for regular oral paper sessions, short paper sessions, poster sessions, doctoral consortium, student's paper presentation and competition, industrial presentations and exhibits Session.

We are herewith enclosing the ADCONS-2011 brochure for your kind perusal. We request you to kindly provide wide publicity for the event by circulating the brochure to the Faculty members, Scientists and Researchers working in your esteemed organization. For further details related to the conference please refer to the conference website www.adcons2011.com.

Looking forward to hear from you!

With best regards,

[P. Santhi Thilagam]
