Springer, Lecture Notes in Computer Science (LNCS)

CALL FOR PAPERS

We cordially invite you to the 9th International Conference on Cooperative Design, Visualization, and Engineering (CDVE2012), which will be held from September 2nd to 5th, 2012 in Osaka, Japan. Original papers of the following topics that have not been published nor submitted elsewhere are welcome to submit to CDVE2012.

Topics:

- Basic Theories, methods and technologies that support CDVE (BT)
- Cooperative Design (CD)
- Cooperative Visualization (CV)

- Cooperative Engineering (CE)
- Cooperative Applications (CA)

Topics NOT under call for papers:

- Only design, visualization, engineering or applications themselves and NOT cooperative. We emphasize the cooperative aspect.
- Basic theories, methods, and applications with no direct relationship with cooperative design, visualization and engineering, nor any cooperative aspects.

For more detail, please check the conference website.

IMPORTANT DATES

Abstracts*: February 15, 2012

Full Papers: April 1, 2012

Short Papers: April 20, 2012

Notice of Acceptance: May 15, 2012

Final Camera Ready Papers and Registration for Accepted Paper Authors: June 10, 2012

Early Registration for All Participants: July 21, 2012

CDVE2012 Conference: September 2-5, 2012

* Abstract submission is not mandatory but highly recommended.

VENUE

Shin-Osaka Washington Hotel Plaza

Address: 5-5-15 Nishinakajima, Yodogawa-ku, Osaka-shi, Osaka Prefecture, 532-0011, Japan

URL: <http://shinosaka.washington.jp/en/>

Access:

5-minute walk from Japan Railway (JR) Shin-Osaka Station, which is the main terminal of the Bullet Train "Shin-kansen"

Two International Airports in Osaka Prefecture:

1) Kansai International Airport ("Kankuu"): 50 minutes by JR Limited Express "Haruka" to Shin-Osaka Station (every about 30 minutes)

2) Osaka International Airport ("Itami"): 25 minutes by Osaka Airport Limousine Bus (every about 20 minutes)

Many international and domestic flights are operated to both airports.

Osaka, Japan:

Osaka City is the capital of Osaka Prefecture and is the third

largest city by population after Tokyo and Yokohama. Osaka is called the City of Water or Town of Merchants. Famous Kyoto and Nara are only 30-minute ride by JR train from Osaka. We welcome you to come to the conference to know Japan, this great city and its great surroundings. Osaka is over 600km far from Fukushima Daiichi Nuclear Power Station.

PROGRAM

Sept. 2, 2012: Registration

Sept. 3, 2012: Conference opening and paper presentation

Evening: Social event of CDVE2012

Sept. 4, 2012: Conference paper presentations

Evening: Conference dinner

Sept. 5, 2012: Paper presentations and conference closing.

KEYNOTE LECTURE

Dr. Renate Fruchter of Stanford University (USA) will be the CDVE2012 Keynote Speaker.

Dr. Renate Fruchter is the founding director of the Project Based Learning Laboratory (PBL Lab – <http://pbl.stanford.edu>), at Stanford University.

Her R&D focuses on collaboration technologies for multidisciplinary, geographically distributed teamwork, and e-Learning, such as Web-based team building, knowledge capture, sharing and re-use, project memory, corporate memory, mobile solutions, interactive workspaces, and mixed reality environments for remote collaboration.

COMMITTEE CHAIRS

Conference Chair:

Prof. Yuhua Luo, University of Balearic Islands, Spain

Program Committee Chair:

Prof. Dieter Roller, University of Stuttgart, Germany

Organizing Committee Chair:

Prof. Nobuyoshi Yabuki, Osaka University, Japan

Exhibit booths will be available for sponsors. If you are interested in becoming a sponsor, please contact Prof. Nobuyoshi Yabuki at yabuki@see.eng.osaka-u.ac.jp.
