PoEM 2014

12 - 13 November 2014
Manchester Business School
Manchester UK

7th IFIP WG8.1 Working Conference on
THE PRACTICE OF ENTERPRISE MODELLING

CALL FOR PAPERS

PoEM 2014 is the 7th IFIP WG 8.1 working conference on the Practice of Enterprise Modelling. It builds on the success of previous PoEM Conferences (PoEM2013 in Riga, Latvia, PoEM2012 in Rostock, Germany, PoEM2011 in Oslo, Norway). It aims at improving the understanding of the practice of Enterprise Modelling (EM) by offering a forum for sharing experiences and knowledge between the academic community and practitioners from industry and the public sector. The 2014 edition of PoEM will address both, the practice of enterprise modeling and the practice of applying enterprise models for organizational purposes. Submissions are sought on any topic of enterprise modelling, including, but not limited to:

Enterprise modelling Approaches and Tools for Agility and Flexibility	Conceptualizations, Notations, and Ontologies
Enterprise Architecture	Enterprise Modelling and Business Processes
Change Management and Transformation	Compliance in Enterprise Modelling
Enterprise Modelling and Information Systems	Use of Enterprise Models at Run-Time
Enterprise Modelling and Requirements	Economics of Enterprise Modelling
Quality of Enterprise Models	Multilevel Modelling
	Use Cases and Action Research on Enterprise Modelling

We invite authors to submit to PoEM 2014 original papers in the following categories. Submission of papers should be done via the EasyChair system. EasyChair submission page for PoEM 2014 is: https://www.easychair.org/conferences/?conf=poem-2014

Research papers — describe original research contributions to the area of EM.

Experience papers — present problems or challenges encountered in practice, relate success and failure stories, or report on industrial cases and practices.

Practitioner papers — may address any aspect of EM or enterprise architectures relevant from a practitioners point of view. These papers have a specific review procedure.

Short papers — can be used to present work in progress and emerging EM challenges. That includes presentation of ongoing thesis or research work by PhD or Master students.

Important Dates:

Deadline for submission 2014: July 14th, 2014

Notification of acceptance: September 8th, 2014

Camera Ready papers: September 15th, 2014

Accepted experience papers and research papers will be published in Springer Lecture Notes in Business Information Processing (LNBIP). Short papers and practitioner papers will be published in the CEUR workshop proceedings series.
