Call for Papers

The workshop series of RFIDsec Asia, the Asia branch of RFIDsec, aims to provide researchers, enterprises and governments a platform to investigate, discuss and propose new solutions on security and privacy issues of RFID technologies and applications. Papers with original research in theory and practical system design concerning RFID security are solicited. The proceeding of RFIDsec 2014 Asia will be published in the book series Cryptology and Information Security by IOS Press (<http://www.iospress.nl/bookserie/cryptology-and-information-security-series/>). This year's workshop is held at Nov. 27 - Nov. 28, 2014, Hualien, Taiwan.

Important Dates

Paper submission deadline:

23:59, July 6, 2014 (GMT+8) **August 6, 2014**
